

SPHS TIGER BOOSTER CLUB, INC.
Assignment of Bingo Credits

Each Bingo Committee member is assigned a certain number of Bingo Credits, which the Committee member may designate to a particular activity/sport/group approved to receive Bingo Credits. The designation of the Committee member is not binding upon the Booster Board, which must retain ultimate decision-making authority on the allocation of Booster funds, however, the Booster board considers the Committee member's designation of Bingo Credits to be indicative of a true need for funds by the designated activity/sport/group, and absent cause, generally will honor the Committee member's designation.

Bingo Credits shall be assigned to Bingo Committee members pursuant to the schedule shown below, unless, the Bingo Vice President, after consulting with the applicable Bingo Committee chairs, determines that additional credits should be assigned. Examples of a situation requiring an exception might be when two Committee members are needed to work because of a large crowd. The recommendation of the Bingo Vice President shall be presented to the board by the Bingo Credits chair at the time the Bingo Credits report is submitted for approval, and the Board must approve the recommendation before the additional credits shall be assigned.

Bingo Credits for Team/ Groups – 10 per student, 75 per parent, and 175 bonus if all students and parents arrive on time.

Super Saturday Bonus – Each Team/Group parent volunteer receives a bonus credit of 40
