

SPHS TIGER BOOSTER CLUB, INC.
Sports Award Banquet Support Policy

The SPHS Tiger Booster Club supports recognition of Athletic Team achievement through a Sport Award Banquet for each team at the end of their season. To ensure that all players can attend their team banquet without financial obligation, SPHS Tiger Booster Club will financially support team banquets. Since athletic teams have a wide variety of roster sizes, the financial support will be based on roster size and the financial contribution from the Booster Club will be \$10 per athlete. The Athletic Director will provide to the treasurer the team roster size halfway thru the season which will determine the amount the team receives toward their banquet.
